Computer Science Survey -- Fall 2005   Colletti / Hilton

Age _____   **Gender M** ___ **F** ___   **Major** _____

Frosh   Soph   Junior   Senior   Faculty (circle one)

Please Circle Your Response

	Yes	Somewhat	No
1. Are you confident in your academic skills?	Yes	Somewhat	No
2. Would you say that you are ambitious in your studies?	Yes	Somewhat	No
3. Have you taken any computer science classes?	Yes		No

     If yes, when did you take this class(es)?   In High School   In College

     Do you feel you learned a lot in this class(es)?   Yes   Somewhat   No

4. Do you feel well informed about the computer science program offered at St. Norbert College?
                                                                      Yes   Somewhat   No

5. Do you view computer science courses as being too difficult?   Yes   Somewhat   No

6. Would you be interested in learning more about this field?   Yes   Somewhat   No

7. Does the gender of the professor affect whether or not you take a course that you are not confident in?
                                                                      Yes   Somewhat   No

     Which would you prefer?   Male _____   Female _____

8. Do you feel that computer science is a male dominated field?   Yes   Somewhat   No

9. Do you feel that a degree in computer science would satisfy . . .
                                       your professional goals?   Yes   Somewhat   No

                                       your personal goals?   Yes   Somewhat   No

10. Do you feel that occupations dealing with computer science involve more desk work than interaction with
     people?   Yes   Somewhat   No

11. Do you enjoy playing video/computer games?   Yes   Somewhat   No

     At what age did you begin playing them?   _____

     If you've stopped playing them, at what age did you stop? _____

12. Which audience do you feel most video/computer games are aimed towards?
                                           Male _____   Female _____   Indifferent_____

13. Are you interested in engineering?   Yes   Somewhat   No

14. Are you confident in your math skills?   Yes   Somewhat   No

Please name at least one profession in the computer science field. _____

_____
