Patrick James O'Connor

921 Elgin Avenue, Forest Park, IL 60130
(708) 837-1638 | patrick.oconnor@snc.edu

Objective

- Seeking a mid-level position that will both utilize and further improve the skills I have gained over the past few years and continue my path in application development.

Experience

Park District of Forest Park, Forest Park, Illinois   June 2013 – August 2014
Day Camp Counselor (Seasonal)
- Helped write and implement a weekly schedule for the camp group.
- Organized and led a variety of small and large group activities each week.
- Identified and responded to camper behavior issues.
- Ensured the building and grounds are kept clean, organized, and free of litter.
- Communicated with parents about participant's experiences and reported concerns.
- Assisted in maintaining accurate records such as incident reports and daily attendance.
- Enforced and followed all safety guidelines associated with the camp.

St. Norbert College, De Pere, Wisconsin   September 2014 – Present
ITS Service Desk Attendant
- Aid faculty and students with technology issues and information requests.
- Be a member of a team and exchange knowledge with co-workers.
- Utilize good communications skills in person and over the phone.
- Provide Tier 1 Support

American Planning Association, Chicago, Illinois   June 2015 – August 2015
Software Development Internship   December 2015 – January 2016
- Develop code for the APA website to improve the look and feel as well as the efficiency.
- Enhance staff functionality on the company's administrative website.
- Create an Image search engine specific to the company, so that staff can use it for various purposes.
- Incorporate images and other data to be stored and accessed from Apache Solr.
- Attend weekly "Paired Programming" meetings and daily recaps to ensure productivity.
