CAREER-RELATED EXPERIENCE

Programmer Assistant, ITS St. Norbert College, De Pere, WI September 2017 – Present

- Maintained, fixed, and monitored an online voting-system for the faculty committees of St. Norbert
- Helped create a Selenium windows form in C# for easy testing of products being updated
- Learned basic Selenium, and documented code regularly for future Programming Assistants
- Sacrificed multiple Saturdays to ensure the website was running as soon as possible
- Learned to communicate with my team and client to respond to issues arising in the website and the Selenium WPF

ITS-Networking Assistant, ITS St. Norbert College, De Pere, WI September 2017 - Present

- Maintained, fixed, and monitored networking switches to insure the campus had reliable connections to the internet and phones.
- Learned to communicate with HP to replace broken switches, and other hardware
- Built an extreme attention to detail to prevent the shutdown of the network
- Learned to configure HP switches to maintain the St. Norbert Network, gained self-motivation from this
- Trained new employees after learning all the procedures of replacing switches and programming them, as well as fixing ITS hardware.
- Built self-confidence and self-motivation through persistent work with closets and customers
- Worked overtime to ensure that a complete closet remodel was done effectively and provided my knowledge to ensure that the network was up and running.

ADDITIONAL WORK EXPERIENCE

ITS Worker, CASA ABLA, Green Bay, WI May 2016 – August 2016

- Created, organized, and managed over 100 clients in the organization's database, ensuring that client information was accurately and stored securely
- Fixed printer and other maintained issue

LEADERSHIP

Delta Upsilon, St. Nober College, De Pere, WI January 2016 – Present

VP of Administration, VP of Member Education

- Attend a weekly meeting, to maintain a written record of the meetings and keep the Fraternity organized
- Encourage new-member to join the fraternity, and keep a good relationship with potentials
- Collaborate as a group to do community service, fundraisers, and group projects.
