Objective Statement: Motivated senior student eager to apply problem-solving and analytical abilities in a Risk Advisory role in the Milwaukee area, while continuing to grow professionally within a collaborative, client-focused environment.

## EDUCATION

**St. Norbert College**, De Pere, WI  
Bachelor of *Science*  
Major: *Computer Science*

Anticipated Graduation: May, 2026

## INTERNSHIP EXPERIENCE

**Baker Tilly**, Milwaukee, Wisconsin  
*Cyber Risk Advisory Intern*

May 2025 - August 2025

- Assisted in auditing a diverse portfolio of clients across multiple industries, evaluating compliance with SOC 1 and SOC 2 controls.
- Performed detailed control testing procedures, completing an average of 5–6 control tests per day with accuracy and efficiency.
- Contributed to the successful completion of a first-year client engagement, demonstrating adaptability and problem-solving skills in a complex audit environment.
- Earned a full-time return offer in recognition of strong performance, attention to detail, and professional growth throughout the internship.

**Georgia Pacific**, Green Bay, Wisconsin  
*Business Consultant*

February 2023 - August 2023

- Supported the GPXpress team with daily operations, contributing to data entry, data management, and project coordination to enhance workflow efficiency.
- Assisted in supply chain and logistics processes, helping improve order accuracy and overall customer experience.
- Demonstrated strong time management and discipline by balancing 20-hour workweeks with collegiate athletics and full-time academic responsibilities.

## WORK EXPERIENCE

**BelAir Cantina**, Brookfield, Wisconsin  
*Server*

June 2020 - August 2022

- Delivered high-quality dining experiences by providing prompt, friendly, and attentive customer service in a fast-paced environment.
- Managed multiple tables and coordinated with kitchen and bar staff to ensure accurate and timely order delivery.
- Resolved customer concerns quickly and professionally, contributing to a positive dining atmosphere and repeat business.

**St. Norbert College**, De Pere, Wisconsin  
*Computer Science TA*

- Held weekly office hours to assist students in Intro to Computer Science, Software Engineering, Elementary Data Structures, and Applications of Discrete Structures.
- Reviewed code, clarified assignment requirements, and provided feedback to help students improve technical accuracy and coding efficiency.

## ACTIVITIES

**Men's Soccer**, St. Norbert College
