## OBJECTIVE

Data analytics major senior with high statistical analytic and presenting skills. Pursuing a job in data science to effectively apply my skills towards my career and get experience in the field of data analytics.

## EDUCATION

St. Norbert College, De Pere, WI

Expected Graduation May 2026

Bachelor of Science

Major: Data Analytics

Dean's List 2024 & 2025

## RELATED COURSEWORK

- Intro to Econometrics 325
  - Understanding statistical models
  - Applying statistical knowledge to real datasets
- Predictive Analytics 301
  - Worked with various statistical models in R
  - Presented on different ways to explain data

## ACHIEVEMENTS

### **Eagle Scout - Boy Scouts of America.**

- Obtained the rank of Eagle, the highest ranked position in Boy Scouts. Only the top 4% of all scouts obtain this accomplishment. Gained valuable experience in all aspects of leadership and hands-on applied skills improving my overall resourcefulness.

## WORK EXPERIENCE

**Stocker & Customer Service:** Weston, WI (Employee 2 years)

*Express Market by Festival Foods*

- Stocked shelves and rotated product.
- Filled in for coworkers during busy hours such as during the holiday season as well as specific roles while working.

**Maintenance & I.T. Help:** Rothschild, WI (Employee 6 months - Summer)

*Imperial Industries Inc.*

- Maintained overall appearance of business through outside work and kept supplies readily available when needed.
- Assisted in filing inventory into a new inventory system.
- Operated on projects to help incorporate a new building.

**Load Builder:** Wausau, WI (Employee 6 months - Summer)

*Menards Inc.*

- Built orders of materials that could be readily shipped out.
- Operated forklifts and other machinery for customers as well as for building orders of materials that could be readily shipped out.

**Clamp Racking & Crating:** Wausau, WI (Employee 6 months - Summer 2024-2025)

*Linetec*

- Clamped rack material onto a line to be anodized as well as unracked anodized material.

- Applied proper safety measures in the work environment using proper protective equipment daily and would have regular safety training to perform the best job safely.
- Assisted other departments to help crate large orders.

#### SKILLS/EXPERIENCE

- Valid drivers license and other machinery operator (WAV and pallet jack).
  - Forklift operator - work permit
- Strong organizational skills, customer service skills, and detail orientation.
- Experience with working with RStudio, Excel, and Tableau.
- Knowledge in working with exploring statistical models such as with using t-tests and f-tests.
- Used a mySQL based database management system for class.
- Familiar with working with html, javascript, C++, and python coding languages.
- Confident in my presenting and communications skills.
